## Music As An Aid In Forming the Character of a Child.

Not a few educators have within recent years become convinced that one of the greatest influences in the formation of the character of a child is the power of music. It has been found that in homes where there is music that the child is more inclined toward study and work, and does not seek something to engage the attention away from home.

Start the child right! Buy a Brunswick Phonograph. Its beauty of tone, and the fact that you can play any phonograph record on it, merits the consideration of every phonograph buyer. You need not pay all down. Just make an initial payment, and the rest may be paid on terms to suit you. Beautiful Phonographs as low as \$65 and \$100. Write or see us.

Demonstrations will be arranged for you. Come and hear our new November records. We carry a complete line of Phonograph supplies.

## "Home Baking"

When one thinks of good home baking today, there is always a mental picture of grand mothers goodies. But there has been as much advance in the gentle art of home baking as there has in the sciences.

The Educational Department of the Dr. Price Baking Powder Factory is doing great work in the improvement of home baking. The most helpful results of this work have been embodied in a new cook book which is said to be the last word in baking perfection.

That this book may reach every home, every grocer has been authorized to present a copy of the New Dr. Price Cook Book to all purchasers of Dr. Price's Phosphate Baking Powder.

## Calomel Good but Awful Treacherous.

Next dose may salivate, shock liver or attack your bones.

You know what calomel is. It's mercury; quicksilver. Calomel is dangerous. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

Don't take calomel! It makes you sick the next day: it loses you a days work. Dodson's Liver Tone straightens you right up and you feel great. No salts necessary. Give it to the child ren because it is perfectly harmless and can not salivate.

Watch the Want Ad column in the Mirror. There may be something in it you want.

**MOTHER**—Of all words, this is the sweetest to mankind—in every tongue, of every tribe, and for aches; it is all, and means all, that is good, and kind, and pure, and true, and sweet and lovely. All have, or have had a mother—lovers, wife, sweet heart, father, brothers, sisters, —all—none can take the place of mother. It so happens on this occasion, that this is OUR MOTHER, and OUR hearts are the hearts that are wounded and are bleeding with tears. She has been a mother to me. Were it possible here, for everyone, to whom she has done some kind and loving deed, to place upon her tomb, one single blossom, she would, this day, sleep beneath a wilderness of flowers. As the beautiful maiden in the sweetness and spring of youth, plucks from the flowery fields, the sweetest, and rarest, and most fragrant in the lot; so, also, does God in His way, take the rarest jewels, and most dearly loved and loving. It is God's way. His will, not ours, be done.

All I am or hope to be, I owe it to my mother; what I am not, I am not, because I have transgressed from her teachings, and the guidance of her loving hand—her life was Christ like, and He was in her.

Fifty years—a half century, without a death in the family, is an exception, but to give up the best one first, is hard indeed. Mother Davis, Sarah E. Garrison, was born at Nevada, Mo., July 27th, 1843, and died at Seymour, Mo., Nov. 9th 1921. Funeral services were held from the home of Frank Davis, in Seymour, by Rev. Gilbert, pastor of the Seymour M. E. church. Interment at Seymour, in Masonic Cemetery.

Sarah E. Garrison was married to Simeon B. Davis, 1866, to which union were born seven children, all of whom are living: L. J. Davis, of Seymour; W. C. Davis, of Sweden; Ella May Ashmun, of Compton, Calif.; Oliver B. Davis, of Mansfield; Frank J. Davis, of Seymour; Lawrence S. Davis, of Steamboat Springs, Colo.; and Ira M. Davis, of Ava.
